

Honor Casting Request Form

This “bookend” Honor Casting is gratefully given to any who have served in the United States Armed Forces. The only requirement is that it must be personalized with a name plate and there must be a connection to an employee of the company (family, friend, neighbor, etc.).

The casting was designed by Dotson Company pattern maker John Hatcher with assistance from three other Vietnam Era veterans. Each leaf was individually carved from wax and placed on the master pattern.

Sample name plates – you may use up to four lines.
